

## **The Freedom of Grace**

### **Galatians 1:1-5**

#### **Legalism Defined**

Working in our own power

Working according to our own rules

Working to earn God's favor

#### **Legalism destroyed**

##### **The Gospel is free**

God the Father has initiated our salvation

The Gospel is:

Not invented by man

Revealed by God

God the Son has accomplished our salvation

The Gospel is:

Maligned/distorted when we add to grace

Misunderstood when we cheapen grace

Marvelous when we trust in grace

#### **The Gospel is freeing**

By His grace, we are free from sin in this world

By His grace, we are free to share with this world
